**CAN A MOTORHOME REPLACE
A HOTEL ROOM?**

As you eliminate travel time and get to enjoy a well-appointed space, an eila motorhome is already a step ahead of a hotel room. In our additional full-service package, with concierge and room service, we also offer you all the amenities you are used to from a hotel.

All our models can be given individual branding. In addition to the units themselves, we are happy to work with you to develop a marketing concept and design the interior to your specifications.

**IS IT POSSIBLE TO HAVE THE UNITS
CUSTOM BRANDED?**

**ARE THE SERVICES OFFERED IN COMPLIANCE
WITH CORONAVIRUS REGULATIONS?**

Of course. On request, we will develop a regulation-compliant and comprehensive hygiene concept that is perfectly tailored to your event. For example, in terms of room plans, hygiene measures, disinfection stations, etc.

You can book each of our services individually. We always tailor our service package to the individual needs of our customers, because this is the only way we can guarantee the perfect service for you.

**CAN THE UNITS AND SERVICES ALSO BE BOOKED INDI-
VIDUALLY AND INDEPENDENTLY OF EACH OTHER?**

CAN I BOOK FOR B2B EVENTS IN QUICK SUCCESSION?

Our fleet comprises more than 70 vehicles and is the largest in Europe for event and promotional vehicles. We are therefore able to have our vehicles at several locations simultaneously at any time.

Our professional team will take care of everything you would like us to manage. From planning and implementation to transport and personnel – we can offer you the perfect service package for your needs. In doing so, we always work closely with our customers.

WHAT EXACTLY DOES THE EILA FULL SERVICE ENTAIL?

WHAT WILL THIS UNIT COST ME IF I WANT TO HIRE IT?

Please visit our website for a detailed overview of the rental prices of our different models. If you have any specific questions, please feel free to contact our team at any time. Then we can put together an individual offer for you.

Our hospitality units each are a mobile restaurant, with a fully equipped kitchen, guest area, bar and lounge. They come in a wide variety of designs and sizes. In addition, they are flexible and can be set up and dismantled at any time.
